Submission Guidelines

Authors are requested to adhere to the following guidelines when preparing and submitting their manuscripts to the journal:

- The manuscript should follow the IMRaD (Introduction, Methods, Results, and Discussion) structure.
- In the final paragraph of the Introduction, include a clear purpose statement, followed by the research questions, hypotheses (for quantitative studies), and research objectives.
- In the Methodology section, specify the research design employed.
- The manuscript should preferably be between **4,000 and 5,000** words in length. Submissions exceeding **6,000 words** will not be considered.
- An abstract of **150–200 words**, along with **3–5 keywords**, must accompany the manuscript.
- The main text should be typed in **Times New Roman, 12-point font, and double-spaced**.
- Manuscripts must be submitted via email as a **Microsoft Word attachment**.
- Use **either British or American English spelling** consistently throughout the manuscript—**do not mix** the two.
- A completed **Declaration Form (JSSRC: Form No-A)** must be attached, confirming that the manuscript has not been submitted elsewhere for publication.
- The journal adheres strictly to the **APA (7th edition)** referencing style.

Contents
